Monks Corner, South Carolina
Santee Cooper

In early 2003, Overland Contracting Inc. (OCI) was selected by Santee Cooper to complete the following Maintenance and Outage Services (MOS) at the Cross Generating Station, located in Monks Corner, South Carolina:

- Removal and replacement of primary reheater and associated terminal tubes.
- Installation of main steam safety valve.
- Miscellaneous boiler repairs.

OCI completed this outage work three days ahead of schedule and with the lowest weld reject rate on similar work completed by the client.
